COLLEGE OVERVIEW

Mary Matha College of Arts and Science (MMC), Periyakulam, is a self-financing, co-educational institution committed to excellence in higher education. Established in 1994 as Jayaraj Chelladurai College, this institution underwent a remarkable transformation under the visionary guidance of the Carmelites of Mary Immaculate (CMI) Fathers, taking its present form in 2012. The college is now managed by the Bodhi Niketan Trust, Bangalore, and is affiliated with Madurai Kamaraj University.

Situated in a serene 26-acre green campus along the Theni–Dindigul Highway in Nallakaruppanpatti village, MMC offers a peaceful and inspiring environment for academic and personal growth.

Our commitment to quality is affirmed by our NAAC B++ Accreditation, and our dedication to continuous improvement is reflected in our ISO Certification, first awarded in 2015 and renewed in 2022.

A MISSION ROOTED IN VISION

VISION:

Education-Integration-Sublimation: Mary Matha College, focuses more on quality than on quantity, envisions to ensure an excellent and all-round formation to the student, and enlightening each one to become an integral person of sublimity for the fulfillment of his/her personal and social responsibilities.

MISSION:

Mary Matha College, inspired by God, provides an educational background for all (regardless of caste, class, creed, colour and ethnicity) for sowing, nurturing, developing, forming and flourishing an individual's Holistic personality by enhancing and empowering their information, inspiration and insights and intuition, in view of enabling them to make an effective contribution in the society at large.

OUR FOUNDER

ST. KURIAKOSE ELIAS CHAVARA

MMC is part of the legacy of St. Kuriakose Elias Chavara, a pioneer in Indian education and social reform. His deep commitment to social upliftment, women's education, and literacy for the underprivileged laid the foundation for institutions like MMC. His vision continues to inspire us to deliver education that uplifts communities and empowers individuals.

B.Sc.
FORENSIC SCIENCE

COURSE INTRODUCTION

The B.Sc. Forensic Science programme is a comprehensive, laboratory-based course that focuses on the scientific analysis of crime scenes and criminal evidence. It integrates key disciplines such as Forensic Pathology, Psychiatry, Psychology, Odontology (Dentistry), and Medicine. Students will explore vital areas including Chemistry, Biology, Toxicology, Ballistics, Fingerprinting, Questioned Documents, and Impressions. The curriculum emphasizes practical exposure in real-world crime scene investigations, including fire and explosion analysis and drug laboratories. This field demands sharp analytical thinking, attention to detail, and the ability to work across disciplines such as Psychology, Social Sciences, and Statistics. The course aims to develop technical and observational skills essential for supporting justice through scientific inquiry.

ELIGIBILITY FOR ADMISSION

- Candidates who have passed Class XII from a recognized board in the science stream.
- Admission is based on merit, considering the aggregate marks obtained in the following three subjects:

  (i) Physics

  (ii) Chemistry

  (iii) Either Mathematics or Biology (whichever subject has the higher marks)
- Maximum age limit: 25 years (relaxation of 3 years for SC/ST students).

DURATION OF THE PROGRAMME : 3 Years

MEDIUM OF INSTRUCTION : English
