Respected Father Principal,

Subject: Seeking permission for promoting the Mushroom cultivation and Vermicompost production in the tribal community of KAMMANKALLUR, KADAMALAI MYILLAI UNION, THENI.

As discussed earlier on 25/08/2025, Thursday, We would like to bring to your kind notice that We, the Department of Biotechnology & Microbiology III years are planning to visit, educate and promote the significance of **Mushroom cultivation** and **Vermicompost production** to the tribal community of KAMMANKALLUR, KADAMALAI and MAYILAI Union, THENI (50 km from Theni). This will serve as an alternative source of income that will help the community to shift their standard of life towards betterment. Also this helps our college to serve the community with love and hence the education will eventually meet its fulfillment.

So, we are planning to reach the village KAMMANKALLUR, KADAMALAI MYILLAI UNION, THENI on 03/09/2025, Wednesday, 10.00 AM with all needed prior arrangements. Kindly grant us the permission to serve the Society as MARY MATHITES which will add glory and name to our Institution in such Tribal sector of society.

Thanking you,

Periyakulam
02/09/2025

Yours Truly,

Dr. P. Chinnaraj
